FREE BUS PASSES

What You'll Learn

- \$ Personal finance basics: saving, budgeting, when to use credit—and when not to
- \$ Tips on applying to college and getting financial aid
- \$ Basic principles of investing in stocks
- \$ How our market economy works
- \$ How to decide what career is best for you

Instructors

- \$ Professor William Duddleston, Edgewood College
- \$ Philip Heckman, Director of Youth Outreach, CUNA
- \$ Richard Entenmann, Asset Builders of America, Inc.
- \$ Other special guests and presenters

Why apply to the YouthPower Academy of Finance?

The **YouthPower** Academy of Finance teaches you the economic skills you need to succeed in high school and beyond. This is a 10-day summer program where you will learn how our free-market economy works and your role in it. Find out how the economic **choices you make today** can mean **success tomorrow**.

How to Apply

Admission to the YouthPower Academy of Finance is limited and competitive. Apply Now! All applications should be received by June 1, 2010 to be guaranteed consideration. You will be notified by June 4, 2010 regarding your acceptance.

Using the space provided on the application form, explain why you would like to participate in the YouthPower Academy of Finance. Neatness and spelling count!
