

4 May 2016
Madison College (Special) Board Meeting
5:30 p.m. Truax Campus, Room B 3243 & B 3253

President Jack Daniels of Madison College has proposed an unprecedented educational plan that will provide **affordable** and **accessible** education to people of color who reside in South Madison.

As a highly regarded member of our Community, you are asked to attend the **4 May** meeting of the Madison College Board of Directors at which the Madison College Board will vote on the South Madison

Initiative.

The 4 May meeting represents a critical turning point for the residents of South Madison and our entire Community.

A vote of yes by the Madison College Board will provide a "real" affordable, accessible, educational center to those most in need - *those who reside in South Madison*.

Please, please plan to attend this very, very important meeting (and bring your spouse/significant other) **and stay until this important vote is made**, Wednesday, 4 May.

My friend, if you have not already registered for this event, please access <https://madisoncollegeboardmeeting4may2016.eventbrite.com/>.

Please provide your presence on behalf of those who are unable to attend and your voice for those who no one seeks to listen. Our Community needs you!

God Bless,

Floyd
