

Madison Fire Department Hiring Process Opens

Dear Members of the Madison Community:

We are pleased to announce the opening of the hiring process for the position of Firefighter for the City of Madison Fire Department (MFD). The process begins with an online application period that will take place from 10 October through 6 December 2015. The City of Madison is an Equal Opportunity Employer and the Madison Fire Department is rich in diversity. They encourage people of color and women to apply.

We are encouraging you, your organization, and other interested parties to assist the MFD in recruiting future Firefighters and EMTs by talking with your friends, relatives, co-workers, staff members, and other good, community-minded people who you come in contact with to apply. The hiring data clearly shows that community leaders and those who work in the community are our best resource in our efforts to recruit a diverse workforce that represents the community that we serve.

More information about the position of Firefighter can be found at the following City of Madison websites:
