

**The Department of Workforce Development (DWD), Division of Management Services, is seeking a specialized and experienced IT professional to serve as a Management Information Manager** in its [Bureau of Information Technology](#) located in Madison. Starting salary for persons new to state service is between \$59,405 and \$98,021 per year based on qualifications, plus excellent benefits. A 2-year Career Executive trial period will be required.

**Deadline: Application/exam materials must be received on or before 4:30 p.m. on June 3, 2010**

The Management Information Manager is responsible for leading DWD IT applications planning, project management, development, implementation and ongoing operations and support on mainframe and distributed platforms. This position will be responsible for an annual budget of approximately \$8M and 60 staff providing critical services to the agency and Wisconsin citizens and employers.

**Please share this opportunity with interested parties with experience:**

- Leading/managing multiple, large IT projects
- Leading application development services
- Supervising IT professionals
- Communicating, consulting and negotiating with others to accomplish specific objectives
